Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner advised applicant that the 35 U.S.C. 112, second paragraph rejection of claim 32 was incorrect and will be withdrawn, as the claim does not depend from rejected claim 1. The art rejection of claim 32 was incorrect and will be withdrawn as the claim depends from allowed claim 11. Applicant was advised of a forthcoming rejection of claim 32 under 35 U.S.C. 112, second paragraph as the feature "width is consistent" appears to contradict the feature "width of each regions is different", the latter as recited in claim 11 from which claim 32 depends.
